👤 Profile

Detail-oriented and organized individual with a passion for Fullstack Development, dedicated to crafting seamless user experiences. Proven ability to communicate complex technical concepts in a clear and concise manner. Seeking a role as a Fullstack Developer leveraging my skills to contribute to innovative projects.

📁 Professional Experience

Product Development Intern, MiM-Essay 02/2024 – present | New Delhi, India

- Conducting market research to analyze trends and assess competition through detailed competitor and data analysis.
- Engaged in product ideation and development, brainstorming innovative ideas for the development of an in-house product.
- Utilizing various analytics tools to analyze product usage and identify user pain points, driving improvements in product design and functionality.

Online Tutor, CourseHero 03/2021 – 11/2022

- Delivered more than a 1000 precise and comprehensive written solution for diverse computer science queries from students worldwide, demonstrating a deep understanding of the subject matter and effective communication skills.
- Maintained a satisfaction rating of above 95%.

📁 Projects

1. Notes App, PERN stack App [🔗](#) 11/2023 – 11/2023

Github Repo [🔗](#)

- Developed a responsive and user-friendly Notes App, using React.js, NodeJS, ExpressJS, PostgreSQL, Prisma, and Firebase for robust user authentication.
- Established a continuous deployment process directly through the GitHub repository, ensuring seamless updates and improvements to the application.

2. In-App Chat Dashboard Feature, Case Study 02/2024 – 02/2024

Project Link [🔗](#)

- Proposed for the development of a student dashboard feature at EduWorld, with the goal of improving communication and collaboration among students.
- Presented a comprehensive plan to eliminate reliance on external networks and increase student engagement within the platform.
- Utilized market research and competitor analysis to outline the potential impact and strategic importance of the proposed feature in enhancing the educational experience at EduWorld.
